

Colorado SKIES Academy Enrollment Instructions

* Our entire process is online. The system is more compatible with a computer than on a mobile phone.*

1. Go to our website [here](#) and click the “Enroll Now” button

*You will be redirected to SchoolMint, our registration system

*You can also go directly to [our schoolmint site](#).

2. Make an account with SchoolMint, use a email/phone number that is reliable and a password you will remember.

3. Once logged in, begin filling out the Application.

4. After this we check that we have a spot open in your learner’s grade, and send you an offer through SchoolMint via email.

5. Accept the offer we send, and begin filling out the registration packet!

*Required documents can be uploaded through the computer in SchoolMint or brought into the front office to be scanned in.

Your learner’s spot is not held or secured until the registration packet is submitted.

Questions about enrollment can be emailed to
