

Parent Agreement

1. I understand that this Contract is an agreement with all members of the CSA community to support the faculty, staff, and volunteers as they work to help me hold my student accountable for becoming a consistently productive, cooperative member of the school community.
2. I understand that CSA is governed by a Parent Board of Directors.
3. I understand that my child will not be allowed to attend classes at CSA until I complete all online and paper enrollment forms required by both CSA and CCSD.
4. I understand that Project-Based Learning will look different from traditional learning, and will support my child through this transition and seek to learn about the process myself as well.
5. My child will be sent to school healthy, well-nourished, clean, and prepared to learn. I will ensure my child eats properly each morning and at lunch.
6. I will provide transportation for my child to and from school daily, or will arrange a carpool with another family. I will drop off and pick up my child only at CSA and not in the surrounding neighborhoods. I understand that if my child is on campus before 7:30 am or after their dismissal time, my child will be actively engaged in a paid, supervised after school activity and I will be charged for their participation.
7. I will abide by all traffic rules around the school at all times, including during drop off and pick up times. I understand that further action will be taken by school officials when necessary to ensure a safe school environment.
8. I know that consistent attendance is necessary for my student's learning and growth. I will take responsibility for minimizing their absences, tardies, and early dismissals from school.
9. I understand that students who do not meet grade-level academic expectations may be retained.

10. I will meet with my child's facilitators as requested and will attend my child's mandatory Learner-Led Conferences in the Fall and Spring.
11. I will regularly check my email for important updates from teachers and administrators about my child's behavior, progress, and academics.
12. I will take responsibility for the behavior of my student in school, and understand that unacceptable behavior (as judged by facilitators and staff), or any other breach of this contract, may be cause for my student's dismissal from CSA according to CCSD's [Continued Enrollment Criteria](#).
13. I will volunteer my time according to the needs of the school (currently 30 hours per family over the academic year).
14. I understand that CSA's expectation is that standardized testing requirements established by state law will be followed for every student. Therefore, I agree to make my child available for testing as required by law.
15. I understand that my student will be issued a Chromebook for use at school, and will take ultimate responsibility for their appropriate use of the technology. I understand that I may be responsible for paying for repairs if necessary.
